For details on the indicators, data, and methodology of the statistics, rankings, and grades presented here, see the Appendices for *The Status of Women in the States* reports in each year.

The composite index grading system was not included in the 1996 and 1998 reports.

³ In 1996 and 1998, the reports measured whether states allow public funding to be used for infertility treatments. In 2000 and 2002, they measured whether states require insurance companies to cover infertility treatments.

*Indicates the legislation is not enforced but remains part of the statutory code.
